VALLEY REPRESENTED AT BOOSTER DINNER

Santa Rosa Chamber of Commerce Affair Attended By Local Delegation Who Heard Colvin Brown, Noted Speaker.

Sonoma Valley was well represented at the notable affair given by the Santa Rosa Chamber of Commerce Tuesday night when 200 boosters of Sonoma county came together at a social dinner and listened to the inspiring talk of Colvin Brown, chief of the organization service bureau, Chamber of Commerce of the U. S. A.

The affair was given at the Occidental hotel and was one of the most successful ever arranged by the organization of business-men of the City of Roses. Sonoma valley showed up fine from an organization point of view and held her own also in the after-dinner oratory. The Sonoma Business Mens Association was represented by President Wm. F. Clewe and Al. Stein; The Valley of the Moon Chamber of Commerce by Director Geo. F. Darling and J. W. Minges. Other Sonoma Valley representatives were F. T. Duhring, Mr. and Mrs W. L. Murphy, Mrs. Al Stein and Mrs G. F. Darling. Messrs Darling, Clewe and Duhring voiced their appreciation of the opportunity to hear Mr. Brown and went on record for cooperation and team work in the upbuilding of Sonoma county.

Colvin Brown's address was a strong inspiring message outlining the possibilities of the community when properly organized with a definite purpose in view and cooperative effort to work out the ultimate plan. He said nothing was impossible for a community to achieve provided it went about it right. He was optimistic about national conditions, predicted a great shifting of the industrial centers of the country toward the West and declared that the country was on the eve of the greatest constructive era in its history. He complimented Santa Rosa on its material for such organization as is needed to build its future and declared he glimpsed the citizenship necessary to all its dreams of a great and more beautiful city. He laid the responsibility of civic success at the door of every good citizen and reminded that a man might be ever so good, but unless he performed some constructive service for his community he was not a good citizen.

Patriotism and national pride rose as he reviewed the mammoth part played by the United States with its industries and the part it is still to play in the rehabilitation of the industries of other countries through the aid of the War Finance Board.

The county division project loomed largely in the talks of representatives from various sections of the county. The Petaluma and Cotati speakers frankly explained their grievances and tried to justify the move for the partition of Sonoma County.

Frank P. Doyle, pioneer Santa Rosan, deplored the sentiment which had led to the county division idea and was visibly affected as he refered to the possibility of a Santa Rosa and Petaluma divorce. Mr. Duhring in touching on the subject, declared that Santa Rosa had always shown a friendly spirit in dealing with Sonoma Valley and he felt that Petaluma misjudged the county seat.

President Hilliard presided over the gathering with all the eclat and enthusiasm of a natural executive and enlivened his snappy talks with several good stories.

A get-together sing was also 'pulled off' during the dinner and good fellowship fairly bubbled over as the diners concluded the evening by singing something to the tune of "Smiles" which said "But the smiles they smile in Santa Rosa, are the smiles that look good to me."

Messrs Clewe and Duhring motored to Santa Rosa for the evening with Mr. and Mrs. Al Stein. "Mayor Minges and Mr. and Mrs. W. L. Murphy accompanied Mr. and Mrs. Geo. Darling of Boyes Springs. The Sonomans were well repaid for their trip and were greatly benefitted by the splendid spirit evinced at this sociable and successful affair.

MRS. A. B. CHAMPLIN HAS CROSSED GREAT DIVIDE

Pioneer Long Identified With the Sonoma Valley Passes Away at Old Home Monday.

Mrs. Addie B. Champlin, long identified with the social and educational life of Sonoma valley, passed away Tuesday at her old home on the Petaluma road last Monday. She had been ill for several months, her strong and vigorous constitution having been shattered by pneumonia last year and lately weakened by a stroke of partial paralysis. Death came as a surcease to her suffering and closed a long and useful life.

Mrs. Champlin was born in Boston 73 years ago and came to California in the early 50s. She was a woman of intellect and ambition and soon won a prominent place in affairs with which she became identified. She was among the first graduates of the San Francisco State Normal School and taught in the schools here. In 1870 she married A. W. Champlin and of this union there are two children, Chas. C. Champlin of this valley and Mrs. Grace Reynolds of Arizona.

Mrs. Champlin continued to take an active interest in public life while rearing her family. She took a great interest in the schools, filled the place of school trustee in her district and was most ambitious to educate her family. It was with great pride that she saw her son Charles graduate from the university in 1900, and later, after much travel abroad, win success in his chosen work. The mother went with him to Japan while the young theological student was a missionary in the far east. Travel and study were a passiion with Mrs. Champlin, and even in her declining years she was a great reader and keenly interested in affairs civic and political. She numbered among her acquaintances many influential people in the state and was a life long friend to those she liked and admired.

When her health began to fail and old age was coming upon her, the pioneer Sonoma mother, who had been living in Southern California and elsewhere after the leasing of the ranch here, began to yearn for her old home. Her son therefore gave up the ministry and took over the Champlin ranch, bringing his father and mother back to Sonoma tolive. Here, amid scenes long familiar and beloved, she passed to that larger life for which a practical Christian life had long prepared her.

Her husband and two children survive her, in addition to grandchildren. Her daughter, Mrs Grace Reynolds, who is in Red Cross work at Whipple Barracks, Prescott, Arizona, came here about a month ago and was at her mother's bedside as the shadows enfolded her. A niece, Mrs. Molly Weyl, was also a great comfort and aid to Mr. and Mrs. Chas. Champlin during the last illness of their mother.

Funeral services were held at the home of the deceased Tuesday and the remains were later shiped to Mt. Olivet cemetery, San Francisco, for cremation.

CARACCIO FOUND NOT GUILTY

After being out fifteen minutes the jury impanelled to try the case of Ralph Caraccio, charged with keeping liquor in a public place in violation of the city ordinance found the defendant not guilty. Caraccio is well known here.

The jury was composed of Arthur Ellis, Henry Nauert, P. Vogensen, Viggo Nisson, E. Nisson, O. Hornbuckle, Ed. Hedges, Geo. G. Daunf, Ham Farrell, Harry Murphy, Ernest Hobbie and W. R. Haskins.

Caraccio was arrested after Chief of Police Fohr and officers raided his place, the East Petaluma hotel, going to his kitchen, where they secured the liquor which was exhibited as evidence at the trial.

It was contended by the defendant that the liquor was kept in his kitchen, which was his private apartment and not a part of the hotel dining room or bar.

Christened Little Daughter Sunday

Mr. and Mrs. Joseph Vella had their little daughter Carmela christened on Easter Sunday by Rev. Father Byrne of St. Francis church. Miss Sganzini was godmother and Wm. Sutter godfather of the baby. A family was enjoyed to celebrate the event after the baptismal ceremony.

Wednesday night the last of the season's dances was given by the Sonoma State Home Social Club. A large crowd attended and enjoyed to the utmost the music furnished by the Napa jazz orchestra. Excellent refreshments were served.

VALLEY OF THE MOON CHAMBER OF COMMERCE

The Valley of the Moon Chamber of Commerce met Friday of last week In the absence of President Rudy Lichtenberg the vice-president, Mr. King, presided. After the reading of the minutes by E. Blomgren and transaction of routine business, highway matters, particularly the coming conference with the Highway Commission, were discussed.

Henry Speas, president of the Golden Gate Ferry Company, was chief speaker of the evening and gave a fine talk outlining the great possibilities of the Valley of the Moon Chamber of Commerce and the development of Sonoma county through organizations such as this.

Mr. Speas promised substantial assistance and has a plan for publicity whereby the Golden Gate Ferry Company will stand half the cost of advertising this section.

Last night the organization had a special meeting at Boyes Springs theatre addressed by Chas. Leonard.

Many fine meetings, with prominent and clever speakers, are scheduled for the near future.

BASE BALL NEWS

The Santa Rosa high school base ball team defeated Sonoma High Saturday afternoon at Santa Rosa. The Sonoma team is one of the fastest ball teams in the Northwestern sub league, but despite Fred Schell's exceptional pitching and other stars work the day was an off-day for the Sonoma boys.

Sonoma Hi has thus far defeated three strong schools this season in baseball, with scores as follows: Sonoma Hi 9, Napa Hi 4: Sonoma Hi 9, San Rafael Hi 1; Sonoma Hi 6, Tamalpais Hi 5.

Today, at Boyes Springs, Sonoma Hi meets Healdsburg at 2:15. The Healdsburg team is said to be a good one.

SONOMANS PURCHASE HOTEL IN HIGH SIERRAS

Messrs. Fred Batto, Joe Andrieux and Chas. McDevitt Interested in Resort and Mercantile Business Near Donner.

The Summit hotel, in the high Sierras, four miles from Donner Lake, has been acquired by Sonoma capital. Messrs. Fred Batto and Joe Andrieux purchased the resort last week, and, with Charley McDevitt, will conduct the hotel and merchandise store, Mrs. Gowing, for many years the proprietor, retiring.

The hotel has accommodations for many guests, a commodious dining room and lobby, sixty rooms and gasoline station. It is located on the Lincoln highway and right at Summit station on the S. P. It is to be modernized by the purchasers, electric lights put in and other improvements installed for comfort and service.

The store is to be stocked and will be a great accommodation to travelers and the railroad men of that section.

Summit is an important point on the S.P. and there is a big payroll on account of the snowsheds and the present work on a big new tunnel.

The new resort has an altitude of 7017 feet and is to be kept open both as a winter and a summer resort. Its proximity to the historic Donner lake, many fine smaller lakes and streams in the vicinity and the tall cedar, pine and fir trees have made it a popular place with tourists. It is on the road to Lake Tahoe, via Auburn. Messrs. Andrieux and McDevitt have already taken possession of the hotel.

"MAYOR" MINGES IMPROVES PROPERTY AT BOYES SPRINGS

"Mayor" Minges, the enterprising Boyes Springs property owner, continues to show faith in the future of the Valley of the Moon and has made substantial and handsome improvements on the restaurant conducted by Geo. F. Darling, opposite the Boyes clubhouse. Pleased at the fine trade built up by Mr. Darling and his capable wife, Mr. Minges decided to make Darlings Restaurant the most attractive and up-to-date in this section. He has almost completed the interior and other improvements, and the cement approach for motorists is about ready. Mr. Darling will open up for the season very soon. Last Sunday he accommodated many diners and the service was much appreciated as the hotels and boarding houses were taxed to capacity over the week end. Friday night of last week there was not a vacant room at Boyes Springs hotel.

Mrs. L. C. Lewis, Mr. and Mrs. A. C. Tufts and Mrs. J. M. Oliver and daughter motored up from Oakland Wednesday and looked over the old Carriger homestead, one of the fascinating old places of the valley, now owned by Pohm brothers. Mrs. Lewis and her sister Mrs. Tufts are daughters of the late Nick Carriger, one of the stalwart pioneers who first settled the Valley of the Moon.

WINE TRUCKS SEIZED NEAR PETALUMA MONDAY

Big Haul Made by Revenue Men of Vino Being Hauled to San Francisco. Winery Seizure.

Federal officers at Petaluma, at 11 o'clock Monday night, it is believed, took the first step towards cutting off San Francisco's supply of wine when in a sensational "ambush" on Main street, north of Washington, at the point of a gun, they held up the driver and seized a big auto truck loaded with wine. A little later a truck was seized, having been chased from near Santa Rosa, and caught near Cotati. All were headed south and one, which was very speedy, succeeded in reaching a point south of Petaluma.

The trucks were taken back to Santa Rosa and were placed under lock and key and the drivers were released with orders to report and federal warrants were issued against five men as follows: John del Prapo, 1745 Chestnut street, San Francisco; E. Morello, same address; Anton Oldo, 237 Union street, San Francisco; Mario Anzini, 75 Van de Water street, same city; P. Masoni, 523 Bryant street, same city.

The officers were tipped off to the trucks owing to the fact that they went north Monday, without any loads, and were proceeding leisurely. The officers came to Petaluma and Santa Rosa and lay in wait for the trucks, and at 11 o'clock the first was caught near the Courier office, and it was 1 o'clock when the last one was held up. Federal Agent Mark Chamberlain, in charge of the raiders, declares that $100,000 worth of wine has passed through Sonoma county bound for San Francisco in the past three months and this has been known to the officers, who some time ago planned the raid.

The winery and property of the R. Martini Wine Company, near Healdsburg, was seized by revenue officers Monday. This seizure, it is said, will approximate a million dollars in value, and is the most extensive single haul yet made in the state.

It was hinted that before the present liquor seizure and consequent prosecutions are brought many prominent people in San Francisco and perhaps Sonoma county will be entangled in the case. Chamberlain stated that the Martini company had manufactured over 60,000 gallons of wine without reporting it, and that a great portion of this was being illicitly marketed.

Improvements at Jones Ranch

Superintendent Joe Keechler of the Jones ranch has been sprucing up the big ranch and the repainting of the buildings at three of the camps makes a fine showing. Thirteen buildings in all have just been painted by Muller and Downey and the place now looks spic and span.

Superintendent Keechler believes in keeping everything up in good shape, and that his policy is the right one is shown by the success which has marked his many years as superintendent of the immense ranch.

AN INNING FOR BUSINESS IS PROMISED

GOVERNMENT operation enthusiasts have dwindled since the United States experiment in recent war times. The public, surfeited with poor railway service and the compulsion of paying higher rates, both freight and passenger in the history of railroad development in this country, have had their eyes opened to the once plausible platitudes of socialistic spell binders. The class preference which was shown during the war, because war workers had the country under their thumbs, proved that labor's attitude was just as arrogant as that other class some times refered to as plutocrats, and their oft quoted insolence, "the public be damned". Government ownership as a business experiment, was a fizzle and as a matter of service, failed to deliver the goods. It was a good thing for workers and politicians. Responsibility was wiped out. The balance sheet was shunted into obscurity if the showing was not good, something else must pay—that was the solution when government operated business slumped or revealed a deficit. Loss came out of the hides of the people, directly or indirectly and they are still wincing, for coupled with the burden of taxes and exactions which taxes brought about, is the memory of inefficiency and indifferent service of every character. Then too, the aftermath of the flier we took at this socialistic arrangement is causing the country no trifling amount of trouble right now, and it is a fortunate thing that we have come under the Harding regime, where, as in the inagural address, sentiment is expressed, bespeaking "sound commercial practices, omission of unnecessary interference of government with business, an end to government experiment in business and more efficiency in the business of government administration." That the new President is cognizant of the sentiment of the country and committed to a saner and more conservative course in the charting of the way for our ship of state is evident. We recall his pointed and prophetic words "the futility and mischief of ill considered remedies for social and economic disorders". Socialists must find little of hope in President Harding's frank declaration that "wealth is not inimical to welfare; it ought to be its friendliest agency."

It augurs we believe a new era, with encouragement for business and an opportunity for business to demonstrate its modernized attitude, its renaissance and recognition of the public weal which legistlative interference and repression tried to guarantee but badly bungled. Freed of its manacles, and with the dangling bugaboo of socialistic rainbows shot to pieces, the business of the country will begin to function naturally, and Uncle Sam will make the proud strides which put him on the road to fame. Equal opportunity, which made the nation a great and enduring union, must be the shibboleth of today.

KNOCKER HAS NO BUSINESS IN THE NEWSPAPER GAME

"THERE IS NO PLACE in the newspaper business for the man who knocks his town," said W. W. Aitkens, former owner of the Franklin (Ind.) Star, in an address to journalism students in Indiana University. Mr. Aikens, who is treasurer of the National Editorial Association, recently sold the Star which he started thirty-five years ago. He made the paper into one of the most successful small city dailies in Indiana.

"I often happen to drop into a shop where the editor is cussing the merchants for not advertising or denouncing the people in general for not showing more interest in his paper. Such a man had better quit business. There's nothing wrong with your town. It's you.

"There is nothing you can't do with a newspaper if you get out among the people and make them like you and if you run a constructive paper. An editor can make his community into what he wants it to be. I am telling you the truth; I have seen it done."

Mr. Aikens declared that a small city newspaper should have an editorial page for the discussion of matters of local interest. Unless a paper has an editorial page, he pointed out, the editor is too likely to inject his own opinion into the news. Then the result is that people lose confidence in the paper. "Don't knock in your editorials. It's better to praise than to blame. Don't be sarcastic at somebody's expense. Run an instructive, helpful, optimistic editorial page."

"KINDNESS TO ANIMALS" week, let us all observe it.

EVIDENTLY the tong wars we read about are not sugar tongs.

SOME THINGS are well named. For instance, tax—you can almost feel the jab.

THE WAGE SCALE of the baker's union no doubt begins with dough and ends with dough.

IF THAT NEW ruling about beer becomes a reality and one can get a prescription for a case of it from the family doctor, even prohibitionists will be willing to take their medicine.

SEBASTOPOL has decided to remain on the fence in the county division mix-up. We believe Analy ought to come off her perch and boost, first last and all the time for Sonoma county, where she belongs.

HUGH FRASER WHO RESIDED HERE IN '52 DIES

Hugh Fraser, prominent pioneer who resided in Sonoma in 1852 and afterwards became a prominent figure in the political and social life of San Francisco, passed away at his home in that city at the age of 88 years. Up to a few years ago, Mr. Fraser was a constant visitor to Sonoma for which he had an exceptional warm place in his heart.

Coming here a young man, in the early days, he made life long friends, among them, the McDonnell family, and for years he visited here every Sunday. Mr. Fraser never missed a celebration in our historic city and delighted in recalling "the days of old, the days of gold, the days of 49"

He was in the carriage factory business on Van Ness Avenue for many years and at one time was acting mayor of San Francisco following the Kallack-de Young trouble. He was a former chairman of the Board of Fire Commissioners.

Prominent in Scottish Clan circles he was buried Tuesday with high honors and rites, conducted by the Fraser Clan and the Thistle Society. He is survived by a sister and two grandsons. Four sons, come to manhood, proceeded their distinguished parent to the Great Beyond.

BEAUTIFUL ILLUMINATIONS AT SEBASTIANI'S

Last Saturday night Sonoma folks were treated to a beautiful electric display when Sam Sebastiani illuminated his buildings and the streets fronting his property east of town. He installed handsome electroliers some time ago and the special lighting effects Saturday night were in honor of Easter. Sonoma folks felt like they were on Market street for the Portola celebration.

10,000 SONOMA VALLEY SHEEP BEING SHEARED

The sheep on the A. W. Foster ranch in this valley are being sheared by an outfit from Cloverdale. Here is what the Reveille says about this year's price for shearing:

Joe and Charles Hensley left Sunday for the Foster ranch, near Lakeville, where they commenced shearing Monday. They took eight men with them and expect to complete the shearing of between 10,000 and 11,000 sheep on the Foster ranch within two weeks. The price this year is 12 1-2 cents per head at this ranch.

Petalumans Praise Enterprise of Sonoma Citizen

We take pleasure in telling Petaluma that Sam Sebastiani is the man who is doing all the splendid things referred to in the following article taken from the Petaluma Argus:

W. B. Lloyd was very enthusiastic over the splendid work of a progressive Sonoma resident Tuesday as he told an Argus reporter of his surprise and pleasure while visiting the historic Mission city a few days ago.

He tells of one man, a cannery owner, who is building rows of splendid modern cottages which he is renting at moderate rates, how he personally paved the streets at his own expense, and the other good work he is doing. He made his coin at Sonoma and is spending it there and if is earning more coin for himself while aiding his city and himself. Unfortunately, his name was not learned. Sonoma ought to be proud of him and it is too bad that there are not some residents like him in Petaluma.

ENJOYED A REAL PARTY ON HER 92nd BIRTHDAY

Mrs. J. A. Poppe enjoyed her annual party Friday of last week, and although she was 92 years young she did not seem to mind telling her age a bit and she enjoyed every minute of the afternoon reception accorded her by relatives and friends. Looking unusually well in becoming gown of soft grey, with dainty white organdie fichu, she received her family and old friends at her daughter's home on First street east and was genuinely pleased with the beautiful plants and flowers which are always showered upon her every birthday. This year they were particularly lovely—potted pink roses all abloom, dainty lilies of the valley, hyacinths bursting forth in all their brilliant hues, Parma violets, tulips and many other rare and beautiful tributes of love and old friendship.

After a pleasant hour of greeting and reminiscence the guest of honor and guests gathered around the prettily decorated dining table, where a fine repast was enjoyed by all, including Mrs. Poppe herself, who, despite her 92 years, eats well and enjoys a coffee party as much as anybody. Mrs. Buchanan, assisted by her daughter, Mrs. Fisk and other relatives, entertained all most hospitably. During the afternoon there was music and it was a late hour before the memorable day of the dear old lady's birthday came to an end. Among the out of town guests here for the event was Mrs. Emily S. Lond of San Francisco. Mrs. Marjorie Fisk and little daughter, the latter Mrs. Poppe's great grandchild, came from Pacific Grove for the event. Miss Roberta Poppe of San Francisco, daughter of Mr. and Mrs. C. J. Poppe, was also present.

Mrs. Lilly C. Snell, mother of Ralph Snell of Trinity, was married recently to Mr. A. G. Hanna. Mr. Hanna is a salesman for the Merritt Bowers Stock Co. of Tulare.

VISITED HISTORIC BATTLEFIELDS

Congressman and Mrs. C. F. Lea, accompanied by Congressman Miller and wife of Washington, visited some of America's historic battlefields in Virginia during the recent recess and they recommend the trip to all who believe in the slogan "see America first".

Rich in history and memories of early wars, it was of particular interest to the members of Congress, lately steeped in data of the recent conflict overseas.

NEW CHEMICAL AT BOYES MAKES ITS FIRST RUN TO FIRE

The new Boyes Springs chemical engine proved an "Angel" when an alarm was rung in from El Verano last Friday night and the engine driven by Robert Taylor, former driver for the Richmond Fire Department and nephew of Chief Cause, arrived in three minutes at the Alexander place in El Verano, in time to prevent the spread of the fire. An outhouse which was in flames was beyond aid but the residence, 50 feet away, was saved after the use of 90 gallons of chemical (two tanks). The Alexander place was formerly the home of C. F. Carmer.

A near sensation developed at the fire when a quantity of mash on the premises caught the eye of a local sleuth, who tried to make out a case for the booze sniffers. As there was no evidence of a still the detectives were out of luck.

Wine grape buyers are not eager to sign up for grapes at big prices so far this season. They declare the present situation demands caution.

BABY GIRL ARRIVES IN BUTLER FAMILY

Dr. and Mrs. Fred Butler of Eldridge are the proud parents of a 10 pound baby girl. The mother, formerly Miss Tillie Fredericks, submitted to a Caesarean operation at the Santa Rosa General Hospital Monday and is now doing nicely as is the baby. Dr. Butler is the Superintendent at the State Home and is being congratulated on his first little laughter.

It is rumored that San Francisco parties have an option on the Agua Caliente Springs hotel and that it may open under new management for the 1921 season.

EASTER SUNSHINE BROUGHT OUT MANY WORSHIPPERS

One of the most beautiful spring days of the year ushered in Easter and the churches were thronged with local folks and visitors at both morning and evening services.

St. Francis church, with its altars aglow with blessed candles and resplendent with stately calla lilies, was the mecca of hundreds at the early mass and also at the solemn high mass, when Rev. Simpson, S. J., officiated, assisted by the resident pastor, Rev. J. F. Byrne.

The Congregational church was beautifully decorated in purple iris, calla lilies and fruit blossoms. A special choir rendered music and the soloist was Miss Emily Poppe, who sang "Hosanna," with Miss Burt at the organ. Miss Poppe, in the sacred song, was at her best, and she sang with both fervor and artistic interpretation. The presence of Masonic and Eastern Star members at the evening service lent special interest. The musical program included a solo, "Immortality," by Mrs. Savacool; duet, "He Died, but Not in Vain," Mrs. Bancroft and Miss Bancroft; chorus, "Ring, Joy Bells, Ring," choir.

The Methodist church, Rev. Wm. Burchette, pastor, had a splendid attendance both morning and evening. The morning Easter service was devoted to the baptism and reception of members. Miss. Myrtle Minkel was soloist and there was also special music by the choir. The decorations of white lilacs and lilies, beautifully arranged, made a charming setting for the impressive service. In the evening the I. O. O. F. lodge and Rebekahs attended in a body and were addressed by Rev. Burchette. A quartet, consisting of Miss Arnot, Mrs. Rambo and Mr. and Mrs. Burchette, rendered several selections.

PIONEER PROPERTY PASSES INTO OTHER HANDS

Otto Von Geldern, Civil Engineer of San Francisco, has sold his property here to A. Pinelli. The land runs from First street East to Spain street and is a nice piece of unimproved realty. Mr. Von Geldern has owned it many years and the old adobe which formerly stood on the lot facing the plaza was for many years his home. After the fire which burned the block on that side of town, Von Geldern did not feel the same sentiment in regard to the property and has had it on the market for some time. Mr. Von Geldern's father was a pioneer physician of Sonoma.

SAXOPHONE PLAYER WILL BRING BRIDE HERE

Jack Edgar, the saxophone player with Wilson's jazz orchstra, now in San Diego, will bring his 17-year-old bride with him when he comes back to the Valley of the Moon next month.

The saxophone player's wedding was a pretty affair, solemnized in San Diego at the Waldorf hotel. His bride is Miss Veneta Hamilton. The ceremony was performed in the Gold Room of the hotel by Rev. Ferris of the Methodist church. The bride's father gave his daugther away. After the wedding there was a banquet, and dancing to Wilson's orchestra.

The Wilson's have been filling a sixteen weeks' engagement at the Waldorf and are very popular at San Diego.

They will reopen for the 1921 season at Boyes Springs on April 30th. Mrs. Wilson has entirely recovered from her accident and is again playing the banjo with the orchestra.

"CARO" FRUIT WRAPPERS
American Sales Agencies Co., San Francisco, Calif.

Read these letters—We have many

John E. Schintzius, Wholesale Commission Merchant, of Buffalo, N. Y., says:
"In my opinion this wrapper 'Caro' should be adopted as soon as possible by all interested in the fruit and produce industry."

A. Levy & J. Zentner Co., Fruit and Produce, Receivers, Distributors and Jobbers of San Francisco, Calif., say:
"We used 'Caro' wrappers in our repacking room for several years past, as we know it makes a much more attractive package than the ordinary Wrapper, carries the fruit better and aids in the sale."

Robt. T. Cochran & Co., Commission Merchants of New York City, say:
"You certainly may have our endorsement of 'Caro' fruit wrappers, not alone on the merit of the wrappers which improve the appearance of the pack in a wonderful degree, but also on the efforts you people are making to encourage the best endeavors of the particular grower.
"In our judgment substantial returns will follow as general recognition is obtained."

R. Dactwyler & Company of Philadelphia, Pa., Carlot Distributors of Fruit and Produce, Representing many large Growers and Associations from the Atlantic to the Pacific Coast, say:
"The better appearance of fruit in your wrappers is of itself a benefit, assuring sale at higher prices. The positive better keeping and carrying quality of fruit wrapped in 'Caro' fruit wrappers should induce every grower, and packer to use 'Caro' fruit wrappers exclusively."

Fox & Godding, Carlot Distributors, Fruits and Vegetables, Chicago, Ills., say:
"Replying to your inquiry as to the fruit arriving packed with different kinds of paper, wish to state the 'Caro' chemically treated fruit wrappers are the best we have seen.
"Hope the growers of the Pacific Coast will use 'Caro' instead of the heavy plain paper."

R. F. Mayer, Sales Agent, Fruit and Produce, Member Western Fruit Jobbers Assn., New Orleans, La., says:
"'Caro' wrapped fruit is arriving in splendid condition, and owing to the transparency and nature of the wrapper, the fruit is shown off to the best advantage. As soon as the merits of 'Caro' have become generally recognized, increased returns to the growers will follow."

A glimpse of the Ocean and Coast Highway from Torrey Pines—near San Diego, California
The Torrey Pines
THE TORREY PINES are found only within a very limited area near San Diego and Del Mar, California, and on Santa Rosa Island. They are unusual because of their peculiar cones, their very large needles and their picturesque growth.
The motorist traveling the Coast Highway between San Diego and Los Angeles passes through this interesting spot—which the city of San Diego has protected by an extensive municipal park.
Good roads abound in Southern California, and at convenient locations may be found service stations and garages where you can get Red Crown Gasoline—the uniform gasoline with a continuous chain of boiling points.
Look for the Red Crown sign on service stations and garages.

JUDGE THOMPSON DENIED POULTRYMEN'S MOTION FOR NEW TRIALS

In the Superior Court Monday Judge Rolfe Thompson denied the motion of the Poultry Producers of Central California for a new trial against Theo Pierson and D. Colli.

Messrs. Pierson and Colli, Sonoma valley farmers, were victorious after a long drawn out legal battle in which the association sought damages for abrogation of contract.

Dr. and Mrs. E. Van Norman Emery returned on Monday from an extened motoring trip through Southern California. They went down through the San Joaquin valley, stopping at Porterville for a few days, and returned by the coast route. Dr. Emery is one of the physicians at the State Home.

Now in the Speed Class

The following are additional Sonoma valley contributors to the life memberships in the speedway project: Messrs. A. Maffei, Edgar Clements, Gottfenburg Bros., A. Beretta and Chas. Potter.

The building of the great racing course and county fair grounds will start very shortly.
